Acts 20:35

Think

In our verse today, the writer, Paul, writes about showing care and compassion for others. Paul chose to use what he had to help others. As followers of Jesus, we are to do the same thing. Why? Because Jesus said that giving is better than getting.

Pray

**God- Today I open my hands ask that
You would help me be generous and give
to those around me. Help me to not
hold tightly to anything with a "that's
mine" attitude but to show compassion
and generosity.**

I love you- Amen!
